

KICKS Academy of Dance

2017-2018 **Dates To Remember**

KICKS does not close for school in-service days or any additional holidays other than those listed on this calendar.

There is no need to make up any of the studio closings indicated on this calendar. KICKS' payment schedule takes these dates into consideration so they are not paid lessons.

In the case of inclement weather, please call the studio for information regarding cancellations. KICKS draws from more than four different school districts so we may not always follow the lead of your district.

All dates are subject to change. Please read all memos, emails and bulletin reminders to stay informed throughout the dance year.
