Other Notes & Helpful Hints

Be Prepared:

Whenever possible, students should be dressed and ready upon arrival at the studio. Please do not tie-up the lobby bathrooms merely to use them as a "dressing room".

Shoe Wear:

Dance shoes should only be worn indoors and street shoes should never be worn on the dance floor. This will ensure a long life for your dance shoes and allow us to maintain clean classrooms for our students.

Hair & Accessories:

Hair should be secured off the face & neck; into a bun, braid or ponytail. Large or distracting hair pieces should be avoided. For safety reasons, jewelry may not be worn during classes.

Label Everything:

(Be sure shoes are approved by the studio, first)

To avoid mix-ups or lost shoes, please be sure to use a permanent marker to write your child's full first name and last initial **inside** every shoe and dance item. Please do not write names on the outside/bottom of shoes.

Cold Weather Notes:

Ballet sweaters, legwarmers, or other extra items may not be worn during class. Dance rooms are always warmer than the lobby and students also get warmer once they begin moving. T-shirts or turtlenecks may be layered under their leotard during winter months.

The Bottom Line:

Do not wear underwear under dance clothes. It would be much like wearing underwear with a bathing suit. For a streamline look and for ease of movement, tights are considered underwear for dancers.

Classic Program

1st - 12th Grade

Clothing

Required:

Solid Black Leotard (any style)
Light Pink or Tan Dance Tights

- * Convertible tights for students enrolled in a Lyrical/Contemporary class
- * Footed for all other students

Optional Items For All Subjects:

Ballet Skirt (short, chiffon, soft colors/prints)
Solid Black, tight fitting, Dance Shorts

Optional Items For Hip Hop:

Students may layer tank tops or t-shirts over other required/optional items.

NOTE: Supportive undergarments are important as dancers mature, however, it is not appropriate to see exposed bras. It is suggested that you invest in a "made-for-dance" undertard, a black athletic sports bra to blend in with your leotard, or purchase a leotard that will completely cover your regular bra.
