

KICKS Academy of Dance

2020-2021 **Dates To Remember**

KICKS does not close for school in-service days or any additional holidays other than those listed on this calendar.

There is no need to make up any of the studio closings indicated on this calendar. KICKS' payment schedule takes these dates into consideration so they are not paid lessons.

In the case of inclement weather, please call the studio for information regarding cancellations. KICKS draws from more than four different school districts so we may not always follow the lead of your district.

Each day of the week has one "cancellation date" built into the full year schedule.

Any additional cancellations may be made up in another comparable class.
