

Theme Park Performance Intensive

This exciting week is a perfect option for students interested in a more intensive dance performance experience! Participants will spend Monday through Thursday learning choreography and preparing for a **Friday performance at Hersheypark!!**

Dancers will be divided into different groups (based on age/experience). Each group will be taught separate Jazz routines, along with a routine merging the groups together. Take a break from the dancing long enough to create some costume/accessory pieces for the performance. Afterward, enjoy the rest of the day on your own at the park. **Don't miss out on this Sweet Dance Camp!!**
