Other Notes & Helpful Hints

Be Prepared:

Whenever possible, students should be dressed and ready upon arrival at the studio. Please do not tie-up the lobby bathrooms merely to use them as a "dressing room".

Shoe Wear:

Dance shoes should only be worn indoors and street shoes should never be worn on the dance floor. This will ensure a long life for your dance shoes and allow us to maintain clean classrooms for our students.

Hair & Accessories:

Hair should be secured off the face & neck; into a bun, braid or ponytail. Large or distracting hair pieces should be avoided. For safety reasons, jewelry should not be worn during classes.

Label Everything:

(Be sure shoes are approved by the studio, first)

To avoid mix-ups or lost shoes, please be sure to use a permanent marker to write your child's full first name and last initial **inside** every shoe and dance item. Please do not write names on the outside/bottom of shoes.

Cold Weather Notes:

Ballet sweaters, legwarmers, or other extra items may not be worn during class. Dance rooms are always warmer than the lobby and students also get warmer once they begin moving. T-shirts or turtlenecks may be layered under their leotard during winter months.

The Bottom Line:

Do not wear underwear under dance clothes. It would be much like wearing underwear with a bathing suit. For a streamline look and for ease of movement, tights are considered underwear for dancers.

Classic, Select & Advance Program
